

National Home Warranty, during the Coverage Period, will arrange for an Authorized Service Contractor to repair or replace the Covered Systems and Appliances or Covered Items in accordance with the terms and conditions set forth in this Contract between NHW (means National Home Warranty) and the Holder (the individual or entity that purchased coverage from NHW, as specified on the Declaration of Coverage) regarding the Covered Residence (the residence for which the Holder purchased coverage from NHW as specified on the Declaration of Coverage).

A. COVERAGE

- Coverage is provided only if the Covered Item is located within the interior of the main foundation or garage of the Residence (with the exception of the air conditioner, and if selected, swimming pool and/or spa equipment); and is in place and in good working order at the effective date of the Coverage Period; and is properly maintained and installed throughout the Coverage Period; and malfunctions due to normal wear and tear. This contract does not cover pre-existing conditions.
- Please read this Contract carefully. Coverage includes only the items stated as covered (subject to certain limitations and conditions) and excludes all others.
- Coverage is for domestic grade appliances and systems. Domestic grade items are those that were manufactured and marketed solely for installation and used in a residential family dwelling.
- Coverage only applies to occupied, single family dwellings (including manufactured housing), under 5,000 square feet, which is owned or rented for residential use only. Coverage does not apply to commercial property or residences converted into businesses. Coverage can be purchased for Residences over 5000 square feet for an additional Premium ("Premium" means the amount paid by the Holder to obtain coverage from NHW as confirmed in the Declaration of Coverage).
- Coverage only applies to services approved by NHW and performed by their Authorized Service contractor (service provider to be selected at NHW's sole discretion).

B. COVERAGE PERIOD

COVERAGE IS EFFECTIVE 30 DAYS FOLLOWING RECEIPT OF PAYMENT BY NHW. The term of this contract as defined in Section C, subject to the provisions of Sections F, G, H, I and J, and specified on the Declaration of Coverage (document entitled "Declaration of Coverage" NHW sends to the Holder after receipt of payment of the Premium, which is incorporated herein and a part hereof). The Service Contract term (effective and expiration) dates will be confirmed and indicated on the Declaration of Coverage, mailed to you upon our receipt of payment.

C. SERVICE CALLS

- You must notify NHW immediately of malfunction of a Covered Item by contacting NHW using contact information as follows:
 - Las Vegas area residents may call 702.641.8888
 - Phoenix area residents may call 480.428.8800
 - Tucson area residents may call 520.812.3388
 - Toll free at (855)NHW-4USA (855.649.4872)
 - Email info@NHWUSA.com
 - Go to our Website at www.NHWUSA.com
- A service call is Received by NHW once NHW has received notice from the Holder of a malfunction via one of the methods of contact in C.1.

- After NHW Receives notice from the Holder of a malfunction, NHW will provide Holder with the name of an Authorized Service Contractor, who will contact Holder directly to schedule an appointment during Normal Business Hours (means 8:00 a.m. to 5:00 p.m. Pacific Time, Monday through Friday, excluding state and national holidays, or the usual hours of operation of an Authorized Service Contractor if more restrictive).
- Notice of malfunction must be given to NHW prior to the expiration of Coverage Period.
- NHW has the sole right to select the Authorized Service Contractor. The Authorized Service Contractor may be affiliated with NHW. NHW will not reimburse Holder for services performed by someone other than an Authorized Service Contractor or services performed without NHW's prior written approval.
- Service calls will be **dispatched** by NHW to an Authorized Service Contractor immediately once Received during Normal Business Hours and within 48 hours on weekends and holidays.
 - Emergency service (means the total loss of heating or cooling, plumbing, or substantial loss of electrical service and/or any other condition which renders the Residence uninhabitable because the conditions immediately endanger the health and safety of the occupants of the Residence) will begin no later than 24 hours after NHW Receives notice from the holder. If you should request our contractor to perform non-emergency service outside of normal business hours, you will be responsible for any additional fees and/or overtime charges.
 - If NHW determines that repairs cannot practically be completed with 3 calendar days after the Receipt of the service call, NHW will provide a status report to the Holder.
- The Holder is responsible for paying a \$70.00 Service Trade Call Fee and it is due and payable upon arrival of an Authorized Service Technician. There may be additional fees and/or an increase in the Trade Call Fee if requesting non-emergency service be performed outside of normal business hours.
 - The Service Trade Call Fee is for each service call dispatched by NHW to an Authorized Service Contractor and scheduled (except as noted in Section D.9), including service calls approved, excluded, or denied.
 - A separate Service Trade Call Fee applies for each trade dispatched to the Residence
 - An additional Service Trade Call Fee will be charged on service calls that result in more than four Covered Items to be repaired or replaced per service call, per trade. This includes multiple unit service contracts.
 - In the event the Holder or authorized representative of the Holder fails to be present at the scheduled time of service, or the Holder cancels the service call and the Authorized Service Contractor is in route to the Residence or has already arrived at the Residence, the Holder is responsible for the \$70.00 Service Trade Call Fee.
 - Failure to pay the Service Trade Call Fee will result in suspension of coverage until such time fee is paid and/or result in the cancellation of coverage at the sole discretion of NHW.
- Additional charges may apply to certain repairs and replacements including but not limited to, upgrades, capture and handling of refrigerant gas, second opinions, discarding of appliances, cleaning of pool filters and a/c coils, permits and inspections, etc. In the event that NHW determines that such additional charges are necessary, NHW or the Authorized Service Contractor will notify the Holder of the amount of the additional charges before beginning work. Any additional charges may be due to the Authorized Service Contractor before the work begins.
- NHW guarantees any parts used in a repair or replacement for 90 days from completion of the work and any labor for 30 days from completion of the work. If NHW determines that the parts used or labor provided by its Authorized Service Contractor failed or were otherwise defective, NHW will repair the failure without an additional Service Trade Call Fee.

18. NHW is not responsible for labor costs, replacement, or repairs to otherwise Covered Items, while still under an existing manufacturer's warranty.

19. NHW will not upgrade or pay additional costs or expenses that may be required to complete repairs due to building code requirements or violations. This includes city, county, state, federal and utility regulations.

20. NHW will not pay for upgrades, components, parts or equipment required due to the incompatibility of the existing equipment with the replacement system, appliance or component, or any part utilized to run the replacement equipment. This includes without limitation, differences in technology, refrigerant requirements, or efficiency and other mandates by federal, state or local governments. If upgrades are required, NHW will not authorize service until corrective work is completed. If additional costs are incurred in order to comply with regulations, NHW is not responsible for the added expense.

21. NHW is not responsible for the diagnosis, removal, or remediation of mold, mildew, fungus, or any damages resulting from or related to mold, mildew, or fungus, even when caused by or related to the malfunction, repair, or replacement of a Covered Item.

22. This Contract is backed by the full faith and credit of National Home Warranty.

G. MULTIPLE UNITS

- If this Service Contract is for a duplex, triplex, or four-plex dwelling, then every unit within such dwelling must be covered by a NHW Service Contract for coverage to apply to common systems. Should any unit within such dwelling not be covered by a NHW Service Contract, then there is no coverage for common systems and appliances.
- If this Service Contract is for a single dwelling within multiple units of 5 dwellings or more, then only items contained within the confines of the covered dwelling are protected. Common systems and appliance are excluded.

H. RENEWALS

This Service Contract may be renewed at the discretion of NHW. If NHW elects to renew this Service Contract the Holder will be notified of the prevailing rate and terms of renewal prior to expiration date. In order to prevent a lapse in coverage, NHW must receive payment from Holder of the renewal Premium on or before the expiration of the Coverage Period. If Holder fails to renew before the expiration of the Coverage Period, Holder is subject to a new 30-day waiting period before coverage begins again.

- If monthly payment Contract was previously selected and we elect to renew your Contract, we will notify you approximately 45 days prior to expiration of coverage. Your will be automatically renewed for an additional one-year coverage term unless you notify us in writing prior to expiration.
